

# CABINET ORGANIZATION SOLUTIONS

A photograph of a modern kitchen with a light-colored marble countertop and a stainless steel gas range. A wooden drawer is pulled open, revealing a custom-built spice rack with several glass jars of spices. In the background, a framed picture of insects hangs on the wall, and a vase of yellow flowers sits on the counter.

IN PARTNERSHIP WITH

# Cabinet Organization Solutions

Get new functionality and a new look without new cabinets. We offer cabinet storage solutions to make your cabinets better organized and easier to use. Below is a small portion of solutions we offer. Please reach out to your local N-Hance for all available organization inserts.

## Pull-Out Trash

Keep trash cans out of sight and safely out of reach for pets with this undermount design. An innovative, soft-close system allows the unit to slide quietly and with ease.

## Recycling Center

Easily separate your recycling items and keep them out of sight with two large bins. Soft-closing slides mitigate sound and allow the unit to slide easily.

## Pull-Out Drawer

Add functionality to your base cabinets with the addition of pull-out drawers. Easily access and organize everyday items with this product that is sturdy enough to handle years of use.

## Base Utility Pull-Out

Reduce countertop clutter with base cabinet utility organizers. This insert can be customized for a variety of common household items, including knives and utensils.

## Under-Sink Portero

Maximize the space under your sink with this heavy gauge wire basket that fully extends for complete access. Sturdy plastic bottoms hold standard-sized cleaning products.

## Pull-Out Tray Dividers

Easily find the tray, cutting board, or bakeware you're looking for when they are upright and organized! This tray divider features heavy gauge wire on a finished wood shelf.

## Drawer Organizer

Keep your kitchen utensils neatly organized and eliminate clutter with this maple hardwood divider. This organizer can be custom trimmed to fit your drawer size.

## Under-Sink Mat

Protect your cabinets and the investment that you made in them with this under-sink mat. It shields the base of your cabinet from various liquid spills and other messes.

There are many more organizational solutions available. Please work with your local N-Hance to find solutions for your cabinets!

## Coffee/Tea Pod Insert

Transform your messy drink corner into a tidy and easily accessible beverage station. This feature fits standard K-Cup pods and can be trimmed for a custom drawer fit.

## Beverage Drawer

Turn a plain drawer into a comprehensive beverage station. Layered sliding components for coffee pods, tea bags, and other beverage accessories.

## Spice Drawer Insert

Organize your spices with this trim-to-fit insert. The graduated shape allows you to see all of your spices at a glance. Features up to three tiers and one rear storage compartment.

# Corner Cabinet System

*Utilize all of your corner cabinet space with this pivoting tray system.*

*Easily bring the entire contents of your cabinet into the open with the LeMans II Blind Corner Cabinet System. This pivoting tray system allows you to fully utilize and easily access all of your cabinet space. You'll be able to effortlessly reach even the deepest parts of your cabinets! The two shelves are height adjustable to accommodate a wide variety of kitchen items and have a load capacity of 55 pounds per shelf.*

## Lazy Susans

*Easily access the contents of your corner cabinets with this rotating design.*

*Increase the functionality of your corner cabinets with these rotating shelves that allow you to access the full cabinet space with ease. High-quality construction and durable hardware make these lazy susans a choice that will last.*

### D-Shape Wooden Tray Set

### Set of Wood Kidney-Shaped Lazy Susans - Series 4WLS and LD

### Lazy Susan 3/4 Swiveling Trays

*Items shown may not work in all cabinets. Please ask your local N-Hance for solutions for your cabinets.*

## Heavy-Duty Appliance Lift

*Keep heavy kitchen appliances off your counter, yet still ready to easily use.*

*Keep your counters clutter free and your larger kitchen appliances out of sight with this Heavy Duty Appliance Lift. Say goodbye to struggling with heavy or awkward appliances each time you want to use them. This thick wood shelf features spring-loaded supports that lift your appliance to counter height. Built-in dampeners allow the unit to gently glide back inside your cabinet with little assistance when you're done.*

## Cookware Organizer

*Organize all your pots and pans with this two-level sliding system*

*Get organized and make the most of your kitchen space with complete access to your kitchen essentials! With two independently opening drawers, this cabinet allows you to store your pots and lids with ease. The top drawer is perfect for keeping your lids organized, while the lower drawer is designed to hold your pots. The dividers in the lower drawer can be adjusted to accommodate pots and pans of different sizes. This system is compatible with base cabinets that are 24 inches wide and the full-extension slides can hold up to 100 pounds.*

*Items shown may not work in all cabinets. Please ask your local N-Hance for solutions for your cabinets.*

# Lighting Solutions

*Take your kitchen to the next level with customized lighting*

## Under-Cabinet Lighting

*Highlight your newly refinished kitchen with this simple and elegant lighting feature.*

*Illuminate your beautifully refinished cabinets with this dimmable linear LED tape light. The high light output ensures that your space is well-lit and bright. Lighting is available in warm white and neutral white, allowing you to customize the lighting that best suits your taste and preference.*

## In-Cabinet Lighting

*Illuminate the inside of your cabinets with a warm glow that is sure to impress!*

*Add a touch of sophistication and ambiance to your cabinets with these dimmable puck lights! You can customize your lighting experience with warm white or neutral white options. Its slim design is stylish and easy to install, allowing for recessed or surface mount installation.*
