SIMPLE WHITES

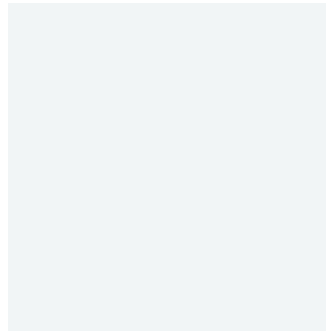

White cabinets are the most requested colour for kitchens and make the most of natural light coming into your space. White is timeless and brightens up any space to look fresh and clean.

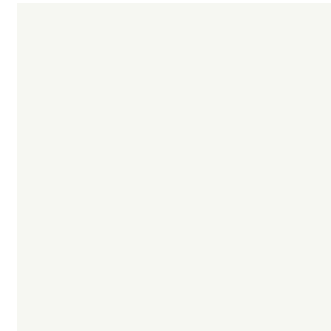

Pure White

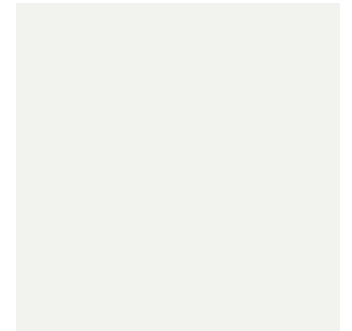

Arctic Wind

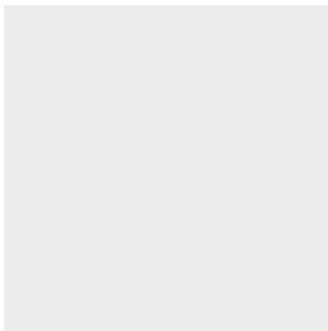

Vapor Frost

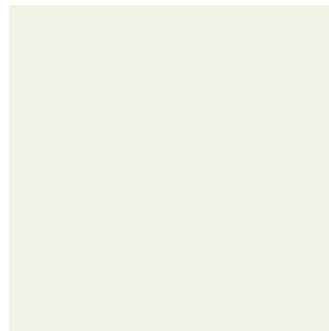

Bridal Train

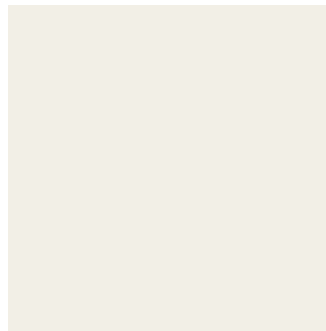

Paper Birch

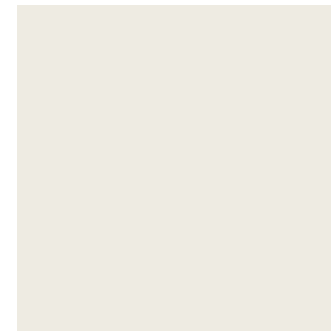

Winter Cape

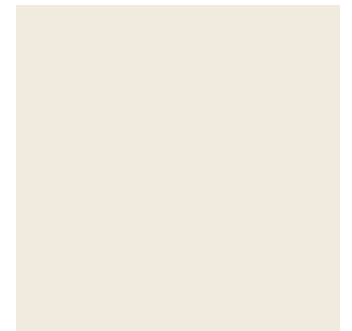

Rich Fondant

Sego White

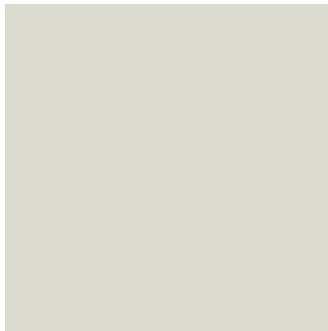

Aged Cotton

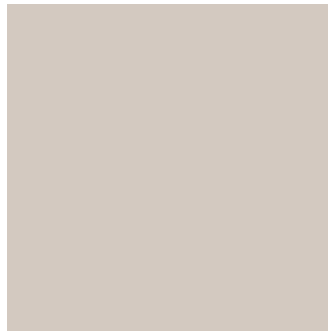

Cream Lily

SMOOTH GREYS

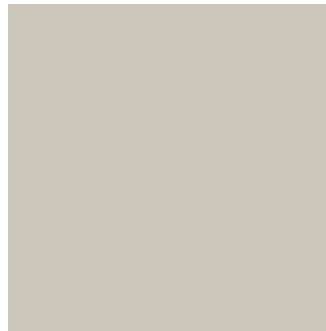

Grey cabinets are an ideal choice to make your space feel modern and refreshed, while staying neutral. Grey kitchens are soft and warm, creating a relaxing environment for gatherings. Black is high-end and classic.

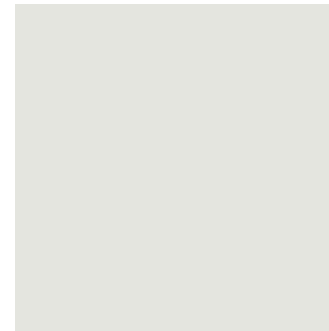

Aged Porcelain

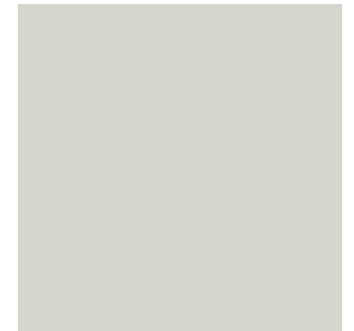

Willow Bark

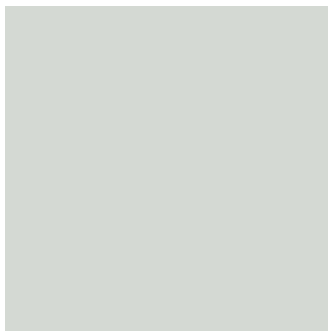

Artesian Pewter

Seabird Grey

Chickadee Grey

Dutch Skyline

Soothing Grey

Downy Cygnet

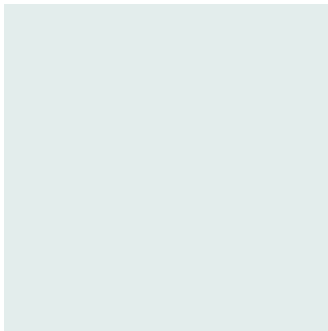

Dense Grey

Top Hat Black

A LITTLE COLOUR

Blue and green kitchen cabinets are sleek and current. With bold and beautiful colours dominating trends, they are often paired with white for a two-toned effect. Need a specific colour? We can match thousands of colours!

Siberian Sky

Crisp Ocean

Dutch Grey

Bear Lake Blue

Navy Stone

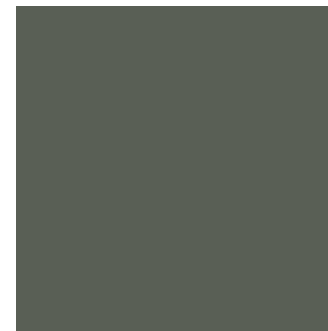

Meadow Valley

Timber Moss

Rich Forest

Evening Forest

Strong Iron

Get the **Perfect Colour** for Your Kitchen

N-Hance offers the top colours for kitchens from crisp whites to trendy greens. Proprietary products specifically designed for cabinets give you a top quality, durable finish. If you need a different colour than offered here, no problem! We can match thousands of colours! Regardless of what colour you choose, you can rest easy knowing that your cabinets will have a factory-like finish to withstand years of use.

**Due to the printing process, actual cabinet colours can vary from the photographs and colour swatches shown in this brochure and on the website.*
