

HYDRO OIL

A PROPRIETARY FINISH COAT

MULTI-LAYER COATING SYSTEM

The final, and most impactful, step of our N-Hance Multi-Layer Coating System is our Hydro Oil finish. This proprietary finish is uniquely formulated to cure upon exposure to oxygen.

- ✓ Cabinets are ready for light use after 24 hours and can be fully used after 7 days
- ✓ Finish resists wear and tear, ensuring the enduring beauty of cabinets
- ✓ Good durability, adhesion, and scratch resistance
- ✓ Ultra-low VOCs (Volatile Organic Compounds) makes it a safer option for homes

Hydro Oil stands apart from other oil-based finishes by combining the classic aesthetic of linseed oil with a water-based, eco-friendly formula. This finish is a great option for wood and stained cabinets.

It offers the traditional charm of oil-based finishes, and is available in Semi-Gloss and Satin sheens.

Traditional Finish

Hydro Oil

Your kitchen is one of the most used spaces in your home. It's crucial to have a durable, protective finish to ensure the longevity of your cabinet makeover.
